# The History of the Suburban League

The Suburban League is an outgrowth of the old Summit County League. The Summit League consisted of 13 schools including: Bath (Revere), Richfield (Revere), Greensburg (Green), Boston Township (Woodridge), Northfield-Macedonia (Nordon), Copley, Twinsburg, Manchester, Hudson, and Mogadore.

In 1949 the larger schools in the league—Copley, Greensburg (Green), Hudson, Manchester, and Northfield-Macedonia (Nordon)—formed the Suburban League while the smaller schools remained in the Summit County League. The League operated with the original five schools for eight years although Highland (formerly Sharon-Granger) did participate in the League in football. In 1958—Revere, Boston Township (Woodridge), Mogadore, and Twinsburg (Chamberlin)—merged to make the league nine teams.

The Suburban League existed with nine schools until 1964 when Twinsburg (Chamberlain) left to join the Chagrin Valley Conference. The league introduced the All-Sports Trophy in 1967-1968 which is awarded to the school that does the best in all sports competitions. Mogadore withdrew following the 1967-68 school year to join the Portage County League. The league operated with seven schools until Coventry left the Metropolitan League to become a member in 1969-1970.

In 1972-1973, girl's sports were added to Suburban League competition—they had previously competed in Y-Teens as part of the YWCA.

When Norton withdrew from the Metropolitan League and was admitted to membership in 1972-73, the league again had nine members. But Nordon withdrew the following season to become a member of the Metropolitan League.

Highland joined the league when Manchester opted to join the All-Ohio Conference in 1976. Field replaced Woodridge in 1978, and when Coventry left to join the All-Ohio Conference following the 1982-83 school year, the league again operated with seven schools. Wadsworth was admitted to membership in December of 1981 and began actively participating in the fall of 1984.

In 1990, Field withdrew from the league to join the Portage County League and Tallmadge left the Metropolitan League to join the Suburban League.

After the 1996-97 season, Hudson left the league to join the Western Reserve Conference. Cloverleaf High School withdrew from the Pioneer Conference and began Suburban League competition in the 1997-98 school year.

In 2005, Norton left to join the new two-tier 16-school Portage Trail Conference. Barberton withdrew from the Western Reserve Conference and joined the Suburban League.

In 2011, Barberton left the league to become independent and the Nordon Knights (an original member 1949-1973) withdrew from the Northeast Ohio Conference to rejoin the Suburban League—forming the eight member league as it exists today.

In 2015, big changes will occur to the Suburban League. First, Green will leave the conference to become a member of the Federal League and Cloverleaf will leave the conference to become a member of the Portage Trail Conference. Second, the league will expand into one 7-team division and one 8-team division—high school based upon enrollment (National Division-Big School and American Division-Small School) while middle school based on geography (Northeast and Southwest). The expansion will see three former members return: Hudson (1949-1996), Twinsburg (1958-1963), and Barberton (2005-2010). It also will welcomed six new members into the league: Stow-Monroe Falls, North Royalton, Cuyahoga Falls, Brecksville-Broadview Heights, Kent Roosevelt, and Aurora.

**NATIONAL DIVISION (HS-Big School):** Stow (1,338), North Royalton (1,334), Hudson (1,250), Cuyahoga Falls (1,217), Wadsworth (1,183), Brecksville (1,163), Twinsburg (1,090) and Nordon (1,018)

**AMERICAN DIVISION (HS-Small School):** Barberton (931), Roosevelt (881), Highland (873), Copley (867), Aurora (787), Revere (679) and Tallmadge (633).

**Northeast Conference (MS):** Aurora, Cuyahoga Falls, Hudson, Nordon, Roosevelt, Stow, Tallmadge and Twinsburg.

**Southwest Conference (MS):** Barberton, Brecksville, Copley, Highland, North Royalton, Revere and Wadsworth.

## League Championship Notes:

- When teams were added and not every team could play each other due to nonleague schedule or there were too many teams—a point system was used. The first point system—1 point for a win, no points for a tie and minus one for a loss. The second point system used was 2 points for a win, one for a tie, no points for a loss.

## Cloverleaf Colts Preview

**2013 record:** 2-8, 0-7. **League:** Suburban League. **OHSAA Division, Region:** Division III, Region 8.

**Coach:** Bob Lake, third season in second stint at Cloverleaf and 17th season overall. **Coach's record:** 72-88 overall.

**Players to watch:** Garrison Flora, Sr., QB; Jon Keene, Sr., OL; Kevin Chester, Sr., OL; Jon Doty, Jr., OL; Ryan Funfgeld, Sr., OL; Tyler Hissom, Sr.; WR; Jared Talmon, Sr., Joe Nespeca, Jr., DB; Connor Carneal, Jr., LB/TE; Tate Surrarrer, Jr., RB/LB; Colton Tompot, Jr., DL; Corey Jenkin, Jr., OL; Kyle Sasinka, Sr., PK/WR; Levi Grimm, Jr., DL.

**Comments:** Cloverleaf is looking to rebound from a 2-8 and 0-7 season from a year ago. Cloverleaf's offense is led by senior quarterback Garrison Flora, who tallied more than 1,300 yards passing last season while also rushing for 325 yards. Coach Bob Lake will rely on seniors Flora, Jon Keene and Kevin Chester, along with juniors Connor Carneal and Tate Surrarrer, to lead a resurgence. "We need to stay healthy because we don't have a lot of depth," Lake said. "We have got 80 kids out for football, but a lot of them are sophomores and freshmen. They are our two biggest classes, and it will be awhile before they can help us."

### Five Keys to a Successful Season:

1. **Veteran passer:** Garrison Flora was the staple of the Colts' offense last season with more than 1,300 passing yards and another 325 yards on the ground. He will once again be the central figure for Cloverleaf's scoring attack.
2. **Experience upfront:** One of the Colts' greatest assets this season will be its veteran offensive line which includes seniors Kevin Chester, Ryan Funfgeld and Jon Keene. Cloverleaf also has plenty of talented junior blockers such as Levi Grimm, Jon Doty and Stephen Wallon.
3. **Defensive line:** As experienced as Cloverleaf's O-line is, the team's D-line is just as savvy with guys like Keene, Grimm and junior Colton Tompot leading the effort to keep opposing offenses in check.
4. **Develop newcomers:** Aside from Flora, the Colts have some fairly inexperienced skill players that will need to step up in a big way. Seniors John Nespeca and Jared Talmon will be called upon to lead the running game while sophomore wide receiver Nick Soika will likely get his fair share of opportunities to prove his sure-handedness in game situations.
5. **Beat conference opponents:** If the Colts are to have any chance of being in contention for a playoff berth, they must do something they were unable to do last season: Win within their league.

## Copley Indians Preview

**2013 record:** 4-6, 1-6. **League:** Suburban League. **OHSAA Division, Region:** Division II, Region 4.

**Coach:** Scott Chouinard, first season. **Coach's record:** 0-0.

**Players to watch:** Jonny Karam, Sr., MLB/RB; Aulden Knight, Sr., RB/WR/CB; Nick Gigliotti, Sr., C; Peyton Flasco, Sr., LT; Christian Burke, Sr., DT; Arman Samouk, Jr., DT; D.J. Johnson, Sr., WR; Chris Brown, Sr., WR; Hayden Neal, Jr., CB/QB/WR; Jaylon Doss, Soph., CB/WR; Daniel Ester, Jr., WR; Morgan Burt, Sr., DE; Sam Renner, Sr., G; Tyson Smith, Jr., LB.

**Comments:** Copley first-year coach Scott Chouinard, 33, is counting on seniors Jonny Karam, Aulden Knight, Nick Gigliotti, Peyton Flasco, Christian Burke to lead an Indians team that went 4-6 and 1-6 last season. Knight rushed for 721 yards and six touchdowns a year ago. Copley returns three starters on offense and five on defense. "I like this team," said Chouinard, a former player and assistant coach at Kent Roosevelt. "I like the way we work and the attitude. I really enjoy the kids we have. I came in and they didn't know me from Adam. They did a great job working in the off-season. The downside is with eight returning starters, we are inexperienced and young kids will play vital roles." Expect them to get better as the team season goes on as they gain experience and knowledge of a new system. The key will be developing Hayden Neal into a dangerous quarterback.

### Five Keys to a Winning Season:

1. **Translate athleticism to wins:** First-year head coach Scott Chouinard has helped bring talented athletes to the Copley program, but what they can do on the football field? Reports from camp have been that the competition and work ethic is high, and that bodes well for this season.
2. **Learn on the job:** With a new head coach and several new football players, experience is lacking for Copley. A tough schedule means there is no time to waste, so the Indians must eliminate simple mistakes that plague young teams.
3. **Win the close ones:** Copley went 4-6 last season but of those six losses, the Indians lost four of those games by 10 points or less. A little better execution could swing a few of those games back in the direction of Copley this season.
4. **Develop a quarterback:** There is plenty of competition on the Copley roster right now, and Hayden Neal leads the way at quarterback. Although he might be a better defensive back, Neal can be a difference maker on offense.
5. **Defense first:** Of Copley's most experienced returnees, most of them are on the defensive end. That's a good place to start for any first-year head coach, and if Copley can play strong defense, it should immediately become more competitive.

## Green Bulldogs Preview

**2013 record:** 5-5, 3-4. **League:** Suburban League. **OHSAA Division, Region:** Division I, Region 1.

**Coach:** Jon Wallace, first season. **Coach's record:** 0-0.

**Players to watch:** John Davies, Sr., QB; Ziggy McPeters, Sr., RB; James Angel, Jr., RB; Everett Edwards, Sr., TE; Alex Neumann, Sr., WR; Eric Larson, Sr., OL; Tristen Pursley, Sr., OL; Vinny Tricaso, Sr., DL; Alex Posten, Sr., DL; Drew Dawson, Sr., LB; Jaret Rockich, Jr., LB; Jeffrey Goodwill, Sr., DB.

**Comments:** After a long tenure as Green baseball coach, Jon Wallace is now its football coach. The Bulldogs return seven starters on offense and five on defense from a 5-5 and 3-4 team. Seniors Ziggy McPeters, Everett Edwards and Alex Neumann and junior James Angel are playmakers to watch. "We return a host of skill players on both sides of the ball, including quarterback John Davies, who has drawn interest from several area Division I colleges," Wallace said. "Success will depend on rebuilding our lines, which lost several lettermen to graduation."

### Five Keys for a Winning Season

1. **Quarterback play:** One of the biggest strengths of Green's team is quarterback John Davies. The 6-foot-3, 200-pound senior has a strong arm and could play Division I football (he holds an offer from Buffalo). He'll need to make plays to keep his team in games, but Davies definitely has the skills and intangibles to lead Green to a winning season.
2. **Get the ball to the skill players:** Besides returning Davies, Green also returns some of its best skill position players. Back are running backs Ziggy McPeters and James Angel, as well as wide receiver Alex Neumann. There will be plenty of targets for Davies, and this is an offense that should click.
3. **Line of scrimmage:** Both the offensive and defensive lines at Green lost several players to graduation. The Bulldogs return just two starters on each line. Keeping Davies upright and opening up running lanes is key to the offense's success, while the defense will need to get pressure against strong teams like Nordon and Highland.
4. **Play physical:** First-year head coach Jon Wallace knows his team is a little undersized and that it needs to make up for it by playing physical. During the offseason, the team focused on sustaining blocks and finishing tackles. The goal is to make Green a team that nobody will enjoy playing against.
5. **Improve defensively:** Last season, Green allowed at least 20 points in eight of its 10 games. That won't get the job done in the Suburban League. There are five starters back on the Green defense, so it will be up to the younger players to cause some change. Keep an eye on Sam Baker, a promising junior linebacker.

## Highland Hornets Preview

**2013 record:** 13-1, 7-0. **League:** Suburban League. **OHSAA Division, Region:** Division II, Region 4.

**Coach:** Tom Lombardo, eighth season at Highland and 11th overall. **Coach's record:** 81-34 overall; 53-25 at Highland.

**Players to watch:** Coltin Kinsey, Sr., WR/CB; Nick Corvo, Sr., DE/RB; Michael Doak, Sr., OL/DL; Connor McCune, Sr., TE; Blake Phelps, Sr., QB; Tanner Ramey, Sr., C; Grant Wallace, Sr., LB/RB; Keith Williams, Sr., LB/OG; Tyler Frederick, Jr., OL/DL; Nick Haas, Sr., DE; Zach Levine, WR/CB; David Leach, OL; Dan McCartney, LB; Luke Allen, Sr., PK.

**Comments:** Highland, last year's Suburban League champion, won't give the conference title up easy. "We have 24 seniors this year after graduating 17 seniors off of last year's team," Lombardo said. "We have eight starters back on defense and five on offense. "Anytime any team plays extra playoff games, it gives you an added advantage for the following year. We got in four playoff games and got in additional practices that a lot of teams did not get. We played several quality teams and gained valuable experience." Coltin Kinsey (57 receptions for 638 yards) and Nick Corvo (49 tackles) are part of a senior class that includes Michael Doak, Connor McCune, Blake Phelps, Tanner Ramey, Grant Wallace (106 tackles) and Keith Williams.

### Five Keys for Making a Deep Playoff Run

1. **A dominant defense:** The strength of Highland this season will be its defense. The Hornets return eight players from last year's squad, which didn't allow more than 26 points in a game during an undefeated regular season.
2. **Replacing Bruce Kinsey:** Highland loses several talented players from its offense but none are as important as Bruce Kinsey. Last year's quarterback accounted for most of the offense with his passing and running ability, and now Blake Phelps will be asked to do the job.
3. **Finding a running game:** The loss of Kinsey did not only hurt for passing. He totaled 1,227 yards on the ground last season and along with Alex Harris (1,578 rushing yards), the two were the only Highland players to rush for more than 132 yards last season. Expect Phelps and a rotation of running backs to pick up the slack, but it's unclear now who will emerge as the top rusher.
4. **Win the turnover battle:** Highland had a terrific year in 2013, and that was partly because of turnovers. The Hornets forced 23 turnovers, while giving the ball away 14 times. With an experienced defense, that statistic needs to continue to be in Highland's favor.
5. **Play like champions:** Although Nordononia and Wadsworth will be strong this season, the defending champion of the Suburban League is Highland. Even though many of the players from that team are gone, the Hornets must play with swagger and show teams that the conference title once again goes through them.

## Nordononia Knights Preview

**2013 record:** 8-3, 5-2. **League:** Suburban League. **OHSAA division, region:** Division II, Region 4.

**Coach:** Jeff Fox, third season. **Coach's record:** 15-7.

**Players to watch:** Denzel Ward, Sr., WR/DB; Alex Alders, Sr., WR/DB; Cameron Bell, Sr., OL; Justice Alexander, Sr., OL/DL; David Murray, Sr., QB; Dylan Mabin, Sr., WR/DB; Tyler Soltis, Sr., WR/DB; Chase Ryba, Sr., WR; Alex Chrusic, Jr., OL; Isaiah Anderson, Jr., OL; Connor Olczak, Sr., MLB; Tyler Zingale, Sr., DT; Noah Pennypacker, Sr., LB; Vinny Hudson, Sr., DE.

**Comments:** This is the season Nordononia has been waiting for, as it returns its core and hopes to improve upon its 8-3 and 5-2 season with Division I recruits Denzel Ward (Ohio State), Justice Alexander (Michigan State) and Cameron Bell (Toledo) playing key roles. "I think we will have an aggressive, fun-to-watch defense," Nordononia coach Jeff Fox said. "Our defensive line is a hard-nosed group that I think will pressure quarterbacks and get up field and be aggressive in the run game. Our secondary returns some really special players in [seniors] Alex Alders, Dylan Mabin, Denzel Ward and Tyler Soltis. [Senior] Chase Ryba has stepped over and played some defense now.

"Offensively, we return the core of our passing game with [senior] David Murray at quarterback, Alex Alders, Denzel Ward and some other guys returning on the outside [as receivers]."

### Five Keys for Winning a State Title

1. **Avoid the hype:** One of the things that coach Jeff Fox has been preaching to his team is to ignore the state title conversation surrounding the team and focus on one game at a time. It might be hard this season, as Nordononia is perhaps the top local team in Division II, but focus will be key for a deep playoff run.
2. **Get after the quarterback:** Nordononia brings back a lot of talent on its defensive line, including Nyck Grayson and Michigan State commit Justice Alexander. If those two can lead the attack to the opposing team's quarterback, it will force opponents to work quicker than they would like.
3. **Passing attack:** Few passing games return as much experience as Nordononia. David Murray is back under center, and he has Alex Alders and Denzel Ward ready to line up as receivers again. That's a trio that will be tough for any team to slow down.
4. **Experience the "big" victory:** Although a lot of talent is back from Nordononia, the team has had trouble winning anything of consequence in the past. Until it can get over that first hurdle, there will be doubts surrounding what this team can really do.
5. **Run the ball:** Perhaps the biggest question mark around the team is at running back, where the team lost Jordan Nobles, last year's leading rusher, to graduation. In fact, the returning player with the most rushing yards last season is the quarterback, Murray. Finding some one to step up is essential.

## Revere Minutemen Preview

**2013 record:** 3-7, 2-5. **League:** Suburban League. **OHSAA division, region:** Division III, Region 7.

**Coach:** Mike Murphey, second season. **Coach's record:** 3-7.

**Players to watch:** Zach Lalkowski, Sr., WR; Chase Costanzo, Sr., QB; Nick Zimmerman, Sr., WR; Mitchell Hlay, Sr., OT; Eddie Schwertner, Sr., OT; Jason Londrico, Sr., C; Nate Predjov, Jr., WR/S; Jared Wright, Sr., S; Max Tisdale, Sr., LB; Joe Magoline, Sr., LB; Jack Smith, Sr., LB; Mackey Totten, Sr., DE; Zeck Lehman, Sr., DE; Clayton Langdon, Soph., TB/LB.

**Comments:** Revere coach Mike Murphey has 24 seniors this year and is confident his team can improve upon last year's 3-7 and 2-5 season with Zach Lalkowski, Chase Costanzo, Nick Zimmerman, Mitchell Hlay, Eddie Schwertner and Jason Londrico leading the charge. "Our guys last year, we talked about weathering the storm," Murphey said. "We changed everything about Revere football from the top down; how we look and how we practiced. I think our kids are ready to go. ... The difference for us is health — if we have the guys and numbers to compete, we will be OK."

### Five Keys for a Successful Season

1. **Experience to build on:** The Minutemen have returning starters at nearly every skill position on offense and defense.
2. **Continue building chemistry:** Revere struggled through seven straight losses last year but finished strong with back-to-back conference wins against Cloverleaf and Copley. With so many key returning starters, the Minutemen have an opportunity to build upon any chemistry they found last season.
3. **Strengthen lines:** The offensive and defensive lines were a concern for coach Mike Murphey last season and are two aspects the team is committed to try to better fortify this year.
4. **Aerial Attack:** Revere's passing game improved as the season progressed last year. That progress culminated in a 383-yard performance with three touchdowns by quarterback Chase Costanzo, two to receiver Zach Lalkowski, in the season finale. Costanzo and Lalkowski are back again as seniors along with receiver Nick Zimmerman. Lalkowski was First Team All-League last year. Costanzo and Zimmerman both made Second Team All-League.
5. **Veteran core of linebackers:** Senior Max Tisdale, a Second Team All-League honoree last year, along with seniors Joe Magoline and Jack Smith give Revere a solid foundation of linebackers to help take some of the pressure off the line.

## Tallmadge Blue Devils Preview

**2013 record:** 6-4, 4-3. **League:** Suburban League. **OHSAA division, region:** Division III, Region 7.

**Coach:** Joe Vassalotti, 13th season at Tallmadge and 20th overall. **Coach's record:** 95-44 at Tallmadge, 128-82 overall.

**Players to watch:** Latrele Moore, Sr., WR/RB/DB; Joseph Vassalotti, Sr., QB; John Zolton, Sr., OL/DL; Jacob Mertus, Sr., OL/LB; Joe Siesel, Sr., WR/DB; Travis Darago, Sr., OL/DL; Nate Adolph, Soph., WR/LB; Stephen Taylor, Jr., OL/DL; Jason Wiebrecht, Sr., TE/OLB; John Rensel, Sr., TE/DL; C.J. Berg, Sr., RB; Quinttin Teeling, Sr., WR/DB; Ned Spragling, Jr., RB/DB; Dylan Skraba, Sr., FB/OLB.

**Comments:** Tallmadge, 6-4 and 4-3 a year ago, will be missing a key player in 6-7, 310 senior lineman Ben Cipa, who is out due to a knee injury.

The Blue Devils do return seven starters on defense and six on offense, including senior captains Joe Siesel, John Zolton and Jacob Mertus and junior captain Stephen Taylor. Quarterback Joseph Vassalotti is also back for his senior year, along with senior two-way player Latrele Moore. "Overall our league should be very strong," said Joe Vassalotti, Tallmadge's coach and Joseph's father. "On paper, Highland and Nardon appear to be the early favorites. From Week 4 on, each Friday night should be extremely competitive. ... We are the smallest school in the league and depth could be an issue, so we have to stay healthy."

### Five Keys to Qualifying for Playoffs

1. **Stay healthy:** Tallmadge lost one of its key components upfront when senior lineman Ben Cipa broke his ankle on the first day of full contact. He will miss the entire football season. Injuries impacted the Blue Devils last season and coach Joe Vassalotti hopes to avoid running into a similar situation this year.
2. **Veteran receiving core:** Senior quarterback Joseph Vassalotti will have plenty of experienced targets to throw to, including senior wideouts Latrele Moore, Joe Siesel and Quinttin Teeling. Sophomore receiver Nate Adolph will have plenty of veterans to learn from as he continues to progress.
3. **Young guys need to step up:** Coach Vassalotti said many of his young players will likely be called upon to take on roles they may not be used to this year.
4. **Develop running game:** Tallmadge lost last year's leading rusher Bobby Clark to graduation. Seniors CJ Berg and Latrele Moore will have big shoes to fill in leading the Blue Devils' ground attack.
5. **Offensive line:** The Blue Devils have limited depth on the lines and can ill afford any more injuries like the one to Cipa. This will be one area where some young players could get a chance to gain some serious varsity playing experience.

## Wadsworth Grizzlies Preview

**2013 record:** 9-2, 6-1. **League:** Suburban League. **OHSAA Division, Region:** Division I, Region 1.

**Coach:** Greg Dennison, 20th season at Wadsworth and 22nd overall. **Coach's record:** 138-66 at Wadsworth; 149-75 overall.

**Players to watch:** Austin White, Sr., DB-WR; Wil Rock, Sr., FB-ILB; Kyle Kemppe, Sr., LB; Mason Egleston, Sr., OLB; Andrew Hammer, Sr., NT; Adam Dennison, Sr., QB; Dan Weinerman, Jr., TB; Alex Jones, Soph., FB; Trent Cornacchione, Sr., WR; Kyle Pennington, Sr., WR; Nick Hewitt, Sr., TE; Tom Andrews, Sr., OL; Chris Hopper, Sr., LT; Benny Baier, Sr., P-PK.

**Comments:** Wadsworth, 9-2 and 6-1 a year ago—Wadsworth graduated 25 seniors from last year's team, but returns new senior leaders in Adam Dennison, Austin White, Wil Rock, Kyle Kemppe, Mason Egleston, Andrew Hammer, Trent Cornacchione and Kyle Pennington. Adam Dennison, the coach's son, is entering his third year as the starting quarterback.

### Five Keys for Making a Deep Playoff Run

- Seasoned passing game:** Senior quarterback Adam Dennison is in his third year as starter and has an all-league receiver in senior Austin White and another veteran target in senior Trent Cornacchione.
- New face of the rushing attack:** Wadsworth relied heavily on running back Martice Jackson last year. With his departure, the Grizzlies will look to senior Shane Mast to step up and be the team's go-to back. Senior fullback Will Rock could also see more action out of the backfield.
- Develop offensive line:** While the Grizzlies have plenty of experience at their skill positions on offense, the team is lacking in that department when it comes to the players tasked with protecting those guys. Junior Chris Byers and senior Chris Hopper will need to step up to lead their counterparts in providing adequate blocking upfront.
- Play tough within the league:** Wadsworth was tested last year during its regular season finale against Nordon. The Grizzlies surrendered 33 points to the Knights in the first half but held them scoreless in the second half. Wadsworth ended up winning the contest, 34-33. The ability to stay tough against conference opponents and not lose confidence is something that will be necessary if the Grizzlies are to win the Suburban League.
- Solid defense:** Wadsworth did a tremendous job keeping opposing teams off the scoreboard throughout most of the regular season a year ago. On six occasions, opponents didn't even reach double-digit scoring figures. It wasn't until the last two contests of the year, including the team's first round playoff loss to Cleveland Heights, that Wadsworth surrendered more than 24 points in a game. With many familiar names back on defense for the Grizzlies, all one year wiser, they should be able to once again keep most opposing offenses in check.
